

Placer Justice Foundation

By believing in our justice system,
the power of *Connection*, and the value of
human *Compassion*, we honor the
resiliency within our own *Community*.

Dear Community Member,

The Placer Justice Foundation was established to provide financial support to bridge the gap in victim services, fund outreach and awareness campaigns, and empower our community's voices to inspire others.

We collaborate to encourage our public to speak up, to stop crime, and educate our community. We ensure that our survivors have the resources they need to repair, restore, and heal. We support outreach projects designed to educate our residents about the dangers of drugs, the vulnerability of our seniors, and the need to protect our children. Through our network of justice-oriented individuals, whether survivors, victims, officials, citizens, organizations, or business owners, we all endeavor to create a stronger and more resilient Placer County.

Our Foundation helps support the following activism, education, legal and community-based projects:
