The Placer Justice Foundation was established to bridge critical gaps in victim services, fund outreach and awareness campaigns, and empower our community's voices to inspire change. By supporting victim advocacy and prevention efforts, we help build a safer, stronger, and more resilient Placer County.

We are proud to cohost our upcoming Victim + Survivor Brunch with the Placer County District Attorney's Office, a special community event dedicated to honoring survivors, recognizing advocates, and raising essential funds to support victim services throughout Placer County. This gathering is more than a brunch — it is a visible demonstration of compassion, connection, and commitment to those impacted by crime.

Why the Victim + Survivor Brunch Matters

- Provide direct financial support to local victim advocacy programs
- Expand access to emergency and recovery resources
- Increase public awareness of victim rights and services
- Support prevention education initiatives
- Strengthen collaboration between community partners
